

#### Features:

- Frame constructions have been rigorously tested to simulate the home and transportation environments for improved durability
- Frame components are secured with combinations of glue, blocks, interlocking panels and staples
- All fabrics are pre-approved for wearability and durability against AHFA standards
- Cushions are constructed of low melt fiber wrapped over high quality foam
- Features metal drop-in unitized seat box for strength and durability
- All metal construction to the floor for strength and durability
- The reclining mechanism features infinite positions for comfort
- Upholstered in a Polyester/Polyurethane blend upholstery fabric
- These recliners features Easy View™ power adjustable headrest
- Features Zero-gravity mechanism (raises the ottoman to improve circulation)
- Zero Wall Recliner design requires minimal space between wall and chair back
- The One-Touch power control features adjustable positions and a Zero-Draw USB charging port
- Zero-Draw technology only consumes power when the USB receptacle is in use
- Features Lay Flat position when fully reclined for extended comfort
