

Antoni Mirror Black Large Black

The oval your walls have been waiting for. Antoni balances soft curves with solid presence. Its bold oval shape is outlined in aged black iron, with subtle framing details that give it that just-right dose of structure. The Art Deco nod keeps it classic, the silhouette softens the look, and together they make this mirror feel more like a statement piece. Sculptural and grounding, it's the kind of mirror that knows how to hold a room.

- **Bold Black Finish:** The bold oval shape is softened by the aged black finished iron frame and its intricate details, reminiscent of the Art Deco movement.
