Enjoy a range of possibilities with our most powerful KitchenAid 30-inch Electric Range available. Two Even-Heat™ Hyper Elements offer precise control and the versatility to take on large pots or small pans for various cooking tasks. A WiFi-enabled Smart Appliance featuring Convection Cooking Modes that help you get consistent results with optimal temperatures. A Steam Bake mode works with the included steam rack to provide additional moisture during baking, so you can enjoy Basque cheesecake and other delicious desserts. The range is designed to be personalized with a curated palette of exterior finishes and mixed metal hardware.
