Camberly

66"W x 21"D x 31"H

Bold structure with a warm finish.

Deep red undertones peeking through a hand-rubbed black finish make the Camberly Entertainment Base a bold statement in any space. The framed drawer fronts feature round knobs and slightly twisted cast metal pulls in a silver finish that contrasts against the dark wood finish. With multiple storage solutions, this piece is ideal for storing all of your entertainment needs.
