France Accent Table Gold

Style matched with elemental allure, the France accent table features a marble-topped, pedestal, gold-finished aluminum base. Its slender form makes it easy to move around and flex to changing needs, while the base features a felt disc to prevent scuffing the floor. Luxe and sculptural, this accent piece is a song of contemporary design.

- Gold finished aluminum base with marble top
- Please note that due to the natural variances in marble, each table will vary in tone & vein markings
- Some assembly required
