Simone Nightstand Cream

Meet Simone: the nightstand that plays both sides. Wrapped in linen-like fabric with a soft cream tone, it lightens the bedside while keeping your space feeling pulled together. Curved doors bring an easy arc, and the exposed ash-veneer top and base add a classic note. Inside, ash veneer over MDF keeps things tidy. A solid ash ball pull finishes the look—small detail, big personality. Solid pine framing supports it with storage that hides clutter quietly.

- Mixed-Material Moment: Linen-like fabric front and sides pair with exposed wood top and base for a balanced look that feels airy but still grounded.
- Ash Veneer Surfaces: Ash veneer over MDF on the top and interior delivers a clean, consistent finish that's easy to style and easy to live with.
- Solid Wood Support: Solid pine frame and support rail add structure where it matters, keeping the piece feeling sturdy and well-made over time.
- Playful Pull Detail: Solid ash cylindrical ball handle adds an unexpected accent and makes the curved doors easy to open, even one-handed at bedtime.
