## POWER RIGHT ARM FACING RECLINER

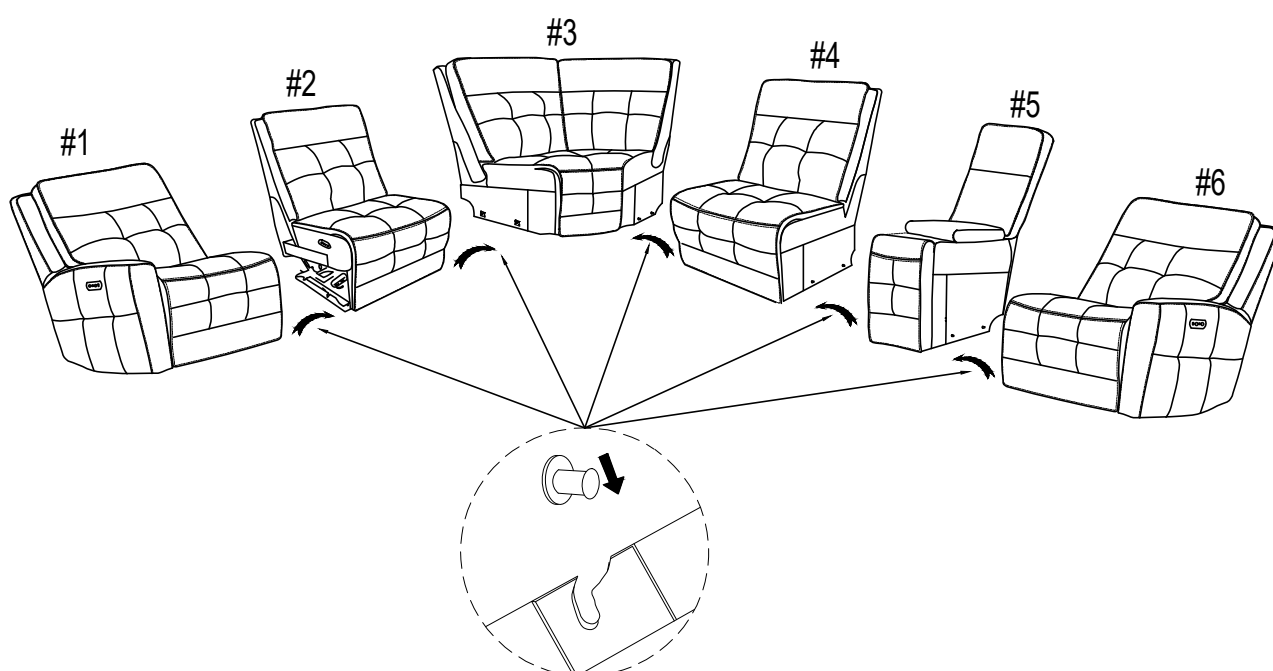

### STEP 7

### STEP 8

## STEP 12

To connect your sectional pieces start with the piece on the left side when facing the sectional (#1). Hook the pins of the piece you want next to it into the slots on the bottom of item #1, continue connecting the remaining sectional piece in order. You can configure the pieces many ways. To disconnect, go in the reverse direction, in the drawing below you would begin with #6.
