or air-compressor to rid of dust. For
spills such as juice or hot chocolate,
wipe with a dry cotton cloth. The
rattan is protected from a top- coat so
it won't absorb the liquid. For PU
rattan seat tops: Wipe spills with a
soft damp cloth or with a mild soap
and water solution. Avoid use of
cleaners and abrasives. Rattan is
naturally heat resistant to sunlight
and humidity but is recommended for
indoor use.
