Product Description: With a lace-like interlocking circle fretwork back, the Brynlee Side Chair is pretty and poised to offer comfort for gathering times with family and friends. The creamy white finish has light distressing for a laid-back luxury, and is complemented by the winter white-colored Lindy Snow linen-polyester blend fabric.

Collection Features: Come closer to Melange, and you will discover something unexpected, an eclectic blending of colors, textures and materials in a vibrant collection of one-of-a-kind artistic pieces.

Status: Active

Finish: White finish. Distressing includes worm holes and rub-through.

Features: N/A

Material: Wood, Fabric and Resin

Let's chat

We're Online

Finish Construction: Hooker Furniture utilizes a multiple-step finish process of up to 16 finish steps. This results in an unsurpassed clarity, depth and color richness and durability to our finishes. Through hand-craftsmanship such as rubbing and padding, our finishes feel as good as they look, with a smoothness that is delightful to the touch.

Frame Construction: Hooker Furniture uses carefully chosen solid wood and select wood veneers over durable wood products in our furniture construction. Use of veneers enables more decorative looks unattainable with solid wood. Veneers are used over durable wood products such as medium density fiberboard (MDF) and particle board, made of renewable resources. MDF and particle board are used in quality furniture for areas that need to be stable, such as large surfaces. These durable wood products do not expand and contract with heat and cold and do not absorb moisture as much as solid wood, which results in stronger and longer-lasting furniture.

Fabric 1: Lindy Snow; 92% Polyester, 8% Linen; Cleaning Code S (Clean with Solvent or dry-cleaning product)
