

Mies Coffee Table Gold

COLORS: Gold

OVERVIEW

Color, texture and geometry come together with fluid elegance in the Mies coffee table. A sleek affair with a gold-finished iron frame, Mies' shelves are made of gorgeously contrasting marble. The tabletop is white, the shelf is black, and both are perfectly flattered by the gold frame to create a pleasant call-back to art deco.

- A white marble tabletop & black marble shelf
- A gold finished iron frame
- Please note that due to the natural variances in marble, each table will vary in tone & vein markings
- Some assembly required
