

Dymension CI™ DC-80 PRO Round In-Ceiling 8" Speaker

Versatile in-ceiling speaker with pivoting tweeter
and a disappearing design.

Seamless Sound

Dymension CI™ PRO speakers leverage Definitive Technology's signature acoustic technologies to deliver clear, consistent sound in any space.

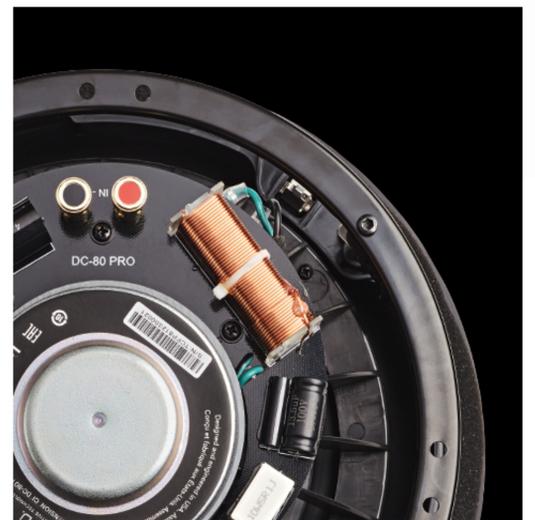

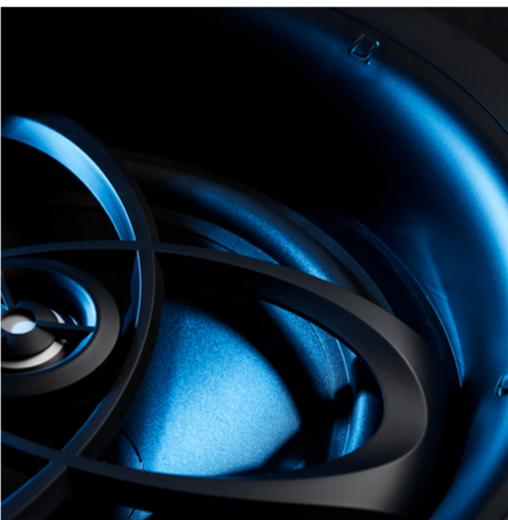

Toolless Installation

A simple two-piece design allows fast, effortless installation—no tools, no hassles. Pre-construction brackets are available for all Dymension CI™ models.

Disappearing Design

With low-profile, borderless designs and paintable magnetic grilles, speakers virtually vanish into any room.

Seamless Sound, Affordable Elegance

Mineral-Filled Woofer

A light, stiff, mineral-filled 8" woofer reproduces warm, natural mids with lifelike precision.

Pivoting Aluminum Oxide Dome Tweeter

A 1" aluminum oxide dome tweeter pivots to point crisp, clear sound anywhere, for lifelike sound with uncompromised clarity and imaging independent of speaker placement.

Refined Crossover

A high-performance crossover network optimizes driver performance for balanced voicing and smooth response.
