King Adjustable Base

Sleep better than ever as you rise to new heights and get a head and foot massage with this king adjustable power base. Sleep is taken to a whole new level with the adjustable head and feet. With the touch of a button on the wireless remote control, adjust the mattress to eliminate pressure points for a comfortable sleep. Raise your legs to increase blood circulation and relieve pressure on your lower back. Raise your upper body so you can sit up in bed or sleep in a partially inclined position (helpful for people who snore or experience acid reflux). Need something more? Maximize comfort with a zoned massage feature found on the remote that provides an upper or lower body massage, or both at the same time. Plus, use the helpful under-bed lighting feature to softly illuminate the floor so you can get around in the dark. Two convenient USB ports are available for connecting electronics.

- Head and feet adjustable
- Wireless backlight remote control
- Compatible with the MotoSleep App
- Head and foot massage
- 2 memory programmable positions
- Undercarriage lighting
- 2 USB power ports

- All steel frame
- Quick set up
