To clean, use a dry cloth, paint brush  
or air-compressor to rid of dust. For  
spills such as juice or hot chocolate,  
wipe with a dry cotton cloth. The  
rattan is protected from a top- coat so  
it won't absorb the liquid. For PU  
rattan seat tops: Wipe spills with a  
soft damp cloth or with a mild soap  
and water solution. Avoid use of  
cleaners and abrasives. Rattan is  
naturally heat resistant to sunlight  
and humidity but is recommended for  
indoor use.
