

## GALARGA

DESK | CM-DK418WH

### DETAILS:

This corner desk provides plenty of space for any busy professional working from home. It features a lift-top design on one side, allowing you to work from any elevation you desire. A drawer on the other side allows for quick organizing of any paperwork, while the USB port and power outlets are there to ensure your machines don't run out of juice. Finished in trendy antique white, it's the kind of furniture that will ensure productivity stays high even at home.
