Product Description: Employing classic styling and architectural elements, the Caldwell bedroom collection brings a sense of substance and heritage to today's homes. The deep brown finish enhances any interior and gentle distressing gives each piece an heirloom quality. The bed uses a secure bolt together construction. The handsome headboard has distinctive crown molding, reeded pilasters, corbels and a plank-effect panel.

Collection Features: Employing classic styling and architectural elements, the Caldwell bedroom collection brings a sense of substance and heritage to the homes of today. The smoked molasses finish enhances any interior and gentle distressing gives each piece an heirloom quality. Jewelry drawers are tucked into the shapely under-top moldings of the dresser, chest, master chest, media chest and nightstand.

Status: Active

Finish: Traditional deep brown finish works with any bedroom color palette

Features: Side rails bolt securely to headboard and footboard for a safe dependable connection.

Material: Acacia Veneers

Frame Construction: Pulaski uses carefully chosen solid wood and select wood veneers over durable wood products in our furniture construction. Use of veneers enables more decorative looks unattainable with solid wood. Veneers are used over durable wood products such as medium density fiberboard.
