LIBBY LANGDON FOR FAIRFIELD

Boyd Bar Stool

6324-06

Description

Using fantastic joinery techniques, skilled Fairfield craftsmen expertly fit sections of wood and upholstered seat and back sections to create the Boyd's bar stool modern curves. This stool embraces a barrel back that flows into armrests and the angled legs from the armrest to the back of the stool offer a geometric angle that feels fresh and stylish. The slim, padded seat perfectly mimics the frame's circular profile and is neatly upholstered but so very comfortable.
