FARMSTEAD EXECUTIVE DESK

The Farmstead Executive Desk makes the typically formal environment where an executive desk would fit into a space that is a little warmer and more inviting. It's miter framed panels with tongue and groove boards make it ideal for those who appreciate fine craftsmanship and detail. It features seven drawers, a flip down center drawer front for keyboard access, file storage in the two bottom drawers, electrical cord access, and built-in adjustable levelers.

- New Zealand Pine

Solid Wood - Made using genuine solid wood construction
