NOTES

- Subtle contoured seat with waterfall chaise cradles you in for supportive comfort
- Lofty, pillow-padded arms
- Available in two top grain leather color options that are durable for everyday use
- Zero Gravity recline puts you in the ideal position that reduces pressure and gives you a feeling of weightlessness
- Customize your comfort with a power control that adjusts the headrest and recline independently
- A home button on the power control returns the headrest and footrest to their original positions with one touch
- USB-A and USB-C charging ports are built into power control for convenient charging and have zero draw technology to prevent the battery from draining when they're not in use
- Built to last with our patented Flexsteel DualFlex Spring System —sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability
- Removable backs for easy moving throughout the home
- Center console includes two cupholders and a storage compartment for keeping your belongings organized and tucked away
- The power control allows you to independently adjust the recline, headrest, and lumbar support.
- A separate home button returns the headrest, footrest, and lumbar support to their original positions with one touch.
- A USB port is included on the power control for powering electronics.
- Zero draw technology only uses power when the USB port is in use.

Power Recline,
Headrest, & Lumbar
