# Under-Counter Ice Maker

E15IM60GSS designer series

# **Crystal Clear Ice**

Continuous flowing water where ice is formed, allows impurities to be separated from the water leaving ice free of odors, minerals and contaminants. Thirty-two, 7/8" cubes of crystal clear ice are produced per freeze cycle, up to sixty pounds per day.

### **Digitally Controlled**

Simple-to-use digital controls for consistent ice production throughout the day or night.

# **Thirty-Pound Storage Capacity**

The large capacity storage bin holds up to thirty pounds of restaurant-quality ice cubes.

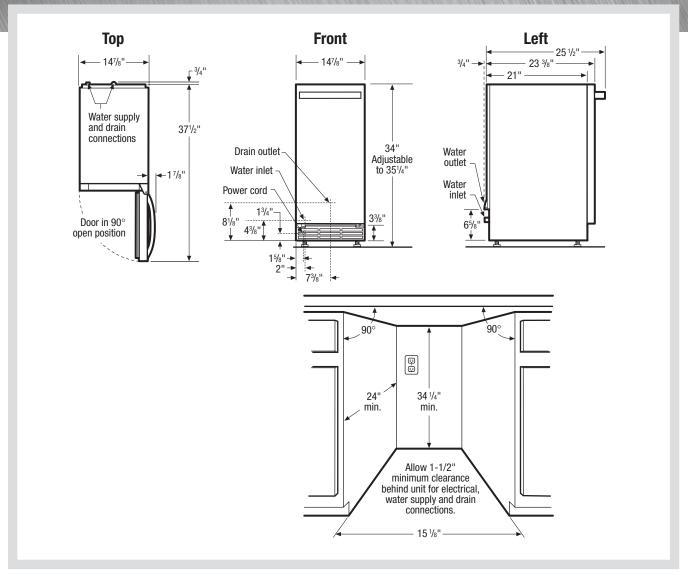

### **Frost-Free Performance**

The Electrolux ICON™ Ice Maker is completely frost free. So you'll never have to defrost.

FEATURES	
Daily Ice Production	Up to 60 Lbs.
Ice Cube Type	Clear
Ice Cube Size	7/8"
Ice Cubes Produced per Cycle	32
Frost-Free Performance	Yes
3-Step Cleaning Process	Yes
Self-Cleaning of Mineral Deposits	Yes
Commercial Grade Heavy-Duty Circulation Pump	Yes
Quiet Operation	Yes
Field-Reversible Door	Yes
Self-Closing Door Mechanism	Yes
Adjustable Leveling Legs	Yes
Electronic Control with Blue LED Display	Yes
Power On/Off Switch	Yes
ACCESSORIES	
Ice Scoop	Included
Cleaning Kit – EIM41978	Optional
Drain Pump Kit – EIMP60 (to be used if gravity-assisted drain is not available)	Optional
SPECIFICATIONS	
Overall Dimensions –	
Height	34" - 35-1/4"
Width	14-7/8"
Depth (Including Handle) (with 90° Door Open)	25-1/2" 37-1/2"
Power Cord Location	Left Bottom Real
	Left Bottom Rea
Water Inlet Location	Б
Water Inlet Location Gravity Assisted Drain	Required
	<u> </u>
Gravity Assisted Drain	<u> </u>
Gravity Assisted Drain Voltage Rating	120V/60Hz/15A
Gravity Assisted Drain Voltage Rating Connected Load (kW Rating) @ 120 Volts <sup>‡</sup>	120V/60Hz/15A 0.48

‡For use on adequately wired 120V, dedicated circuit having 2-wire service with a separate ground wire. Appliance must be grounded for safe operation. NOTE: Always consult local and/or national electric and plumbing codes. Refer to Product Installation Guide for detailed installation instructions on the web at electroluxicon.com. Specifications subject to change.

## **Under-Counter Ice Maker Specifications**

- Product Weight 100 Lbs.
- Voltage Rating -120V/60 Hz/15 Amps
- Connected Load (kW Rating) @120 Volts = 0.48kW (For use on adequately wired 120V, dedicated circuit having 2-wire service with a separate ground wire. Appliance must be grounded for safe operation.)
- Amps @ 120 Volts = 4.0 Amps
- Electrical cable supplied.
- Water supply and electrical power source required.
- Always consult local and/or national electric & plumbing codes.
- Can be used freestanding, or built-in under counter.
- Does not require additional airspace for top, sides or rear when used in built-in application. Increase unit dimensions by at least 1/4" for recommended rough opening, allowing 1-1/2" minimum clearance in rear for water, drain and electrical connections.
- Front grille MUST remain unobstructed for proper ventilation.
- Can be installed using gravity drain, or factory-installed/equivalent drain pump.
- Drain lines must have 5/8" inside diameter, 1" drop per 48" (1/4" per foot) of run and must not create traps.
- Floor drain must be large enough to accommodate drainage from all drains.

- Recommended water pressure between 15 and 150 pounds per square inch (psi).
- Unit MUST be level for proper operation, and positioned on flat surface, capable of supporting entire weight when fully loaded.
- · Leveling legs supplied to adjust height and level unit.
- Can be installed outdoors, out of direct sunlight. Do NOT install behind closed doors.
- Do not position unit near any heat source or in direct sunlight to ensure optimum performance. Surrounding air temperature must be at least 50°F but must not exceed 110°F.
- Must be positioned to allow for 90° door swing. (Door is field reversible for right- or left-hand opening.)
- When installing next to wall where handle may make contact, allow 3" clearance between opened door and wall.

Note: For planning purposes only. Refer to Product Installation Guide on the web at electroluxicon.com for detailed instructions.

#### **Optional Accessories**

- Drain Pump Kit (EIMP60).
- Cleaning Kit (EIM41978).
