Sunseeker Outdoor Chaise Brown Stripe

This is your follow-the-sun setup in one piece. The Sunseeker chaise is generously sized for lounging, with tufting and piping that keep it looking pulled together from every angle. Brown stripe acrylic fabric brings a classic outdoor vibe, while quick-dry foam and an aluminum frame make it a practical pick for pool days and patio nights. It also plays well with the rest of the collection—pieces fit together to stack and store, and to reconfigure as the day moves.

- All-Day Chaise Shape: A long, low lounge profile with tufting and piping sets a composed look, whether you're reading, sunning, or resetting.
- Outdoor-Ready Fabric: 100% acrylic upholstery in brown stripe pairs with quick-dry foam, keeping the seat comfortable through splashes and humid afternoons.
- Light Aluminum Frame: An aluminum frame keeps the chaise easy to move around the yard, while staying steady when you settle in.
- Configures And Stores: Fits with coordinating pieces to create larger layouts, then stacks and stores when you want the patio cleared and calm.
