- J.D. Power and Associates

LG received the highest numerical score for ranges, cooktops and ovens in the proprietary J.D. Power and Associates 2009 Kitchen Appliances Studies<sup>SM</sup>. 2008 received award for satisfaction with cooktops/wall ovens. 2009 study based on 4,067 total responses measuring 12 brands and measures opinions of consumers during the previous 24 months. Proprietary study results are based on experiences and perceptions of consumers surveyed in March-April 2009. Your experiences may vary. Visit [jdpower.com](http://jdpower.com).

COOKING

# LCG3091ST and LCG3691ST 30" and 36" Gas Cooktops

### High Performance Cooking

LG's new premium 30" and 36" gas cooktops offer an array of features that any cook would love. Cooks and chefs alike have the opportunity to cook gourmet meals on heat settings that range from 5,000 BTUs for a slight simmer to a 19,000 BTU UltraHeat™ center burner.

### Style and Design

Adding to an already premium line, LG's gas cooktops continue in the tradition of premium style and design with intuitive controls and heavy-duty aesthetic nuances. The gas cooktop knobs feature blue LED backlighting to keep the user informed of burners that are on or hot.

### Versatility

With 5 sealed burners and 3 continuous heavy-duty cast iron grates, you have a wide range of cooking options. It's easy to cook with large skillets, woks, soup pots, and even griddles.
