1200-0890

In Stock

Overall: 19.75"h x 12.25"w x 10.5"d

Finish: Black / White

Materials: Terracotta

Item Weight: 17 lbs.

Inspired by the development of 20th-century art pottery during the 1940s, the Saint-Paul-de-Vence Large Vase is a nod to the great design experimentation going on at the time. This interpretation of that burgeoning creativity is made of terracotta that has been glazed in a matte black, over which the whimsical figure has been hand-painted in white.
