Description

The Farley King/Queen Bed is a striking walnut wood paneled bed in the Sheer Dove gray finish with polished nickel details and is the standout star of this bedroom collection. The headboard is made up of vertical panels, which allow you to appreciate the gorgeous grain of the wood, and the combination of the polished nickel spacers that connect the outer frame to the inner frame, along with the polished nickel bead trim, give this bed an elegance and simplicity that can work in many different design styles. The foot rail and side rails are also in the beautiful walnut wood and the legs are finished with polished nickel Ferrule's for a little touch of brightness.
