

# UPHOLSTERY CARE AND MAINTENANCE

## FABRIC CONTENT CODING

<b>A – Acetate</b>	<b>J – Vinyl</b>	<b>O – Olefin</b>	<b>W – Wool</b>
<b>C – Cotton</b>	<b>K – Polypropylene</b>	<b>P – Polyester</b>	<b>X – Lurex</b>
<b>F – Flax</b>	<b>L – Linen</b>	<b>R – Rayon</b>	<b>Z – Other</b>
<b>H – Herculon</b>	<b>M – Mohair</b>	<b>S – Silk</b>	
<b>I - Acrylic</b>	<b>N - Nylon</b>	<b>V - Viscose</b>	

## CLEANABILITY CODES

**CODE S** To prevent overall soil, frequent vacuuming or light brushing to remove dust and grime is recommended. Spot clean, using a mild water free solvent or dry cleaning product. Clean only in a well-ventilated room and avoid any product containing Carbon Tetrachloride or other toxic materials. Pretest a small area before proceeding. **Cleaning by a professional furniture cleaning service only is recommended.**

**CAUTION:** Never remove cushion covers for separate dry cleaning or washing, even though they do have zippers. Do not use bleach at any time. The use of steam or water-based cleaners may cause excessive shrinking or staining of this particular fabric. Do not use any tumble method cleaning service as this may destroy the backing of the fabric or shrink or otherwise damage the upholstery fabric.

**CODE W** To prevent overall soil, frequent vacuuming or light brushing to remove dust and grime is recommended. Spot clean, using the foam only from a water-based cleaning agent such as a mild detergent or non-solvent upholstery shampoo product. Apply foam with a soft brush in a circular motion. Vacuum when dry. Pretest a small area before proceeding. **Use a professional furniture cleaning service when an overall soiled condition has been reached.**

**CAUTION:** Never remove cushion covers for separate dry cleaning or washing, even though they do have zippers. Do not use bleach or any tumble method cleaning service as this may destroy the backing of the fabric or shrink or otherwise damage the upholstery fabric.

**CODE S-W** To prevent overall soil, frequent vacuuming or light brushing to remove dust and grime is recommended. Spot clean, with a mild solvent, an upholstery shampoo, or the foam from a mild detergent. When using a solvent or dry cleaning product, follow instructions carefully and clean only in a well-ventilated room. Avoid any product that contains Carbon Tetrachloride or other toxic materials. With either method, pretest a small area before proceeding. **Use a professional furniture cleaning service when an overall soiled condition has been reached.**

**CAUTION:** Never remove cushion covers for separate dry cleaning or washing, even though they do have zippers. Do not use bleach or any tumble method cleaning service as this may destroy the backing of the fabric or shrink or otherwise damage the upholstery fabric.

**CODE X** Clean this fabric only by vacuuming or light brushing to prevent accumulation of dust or grime. Water-based foam cleaners or solvent-based cleaning agents of any kind may cause excessive shrinking, staining, or distortion of the surface pile and, therefore, should not be used.

**CAUTION:** Never remove cushion covers for separate dry cleaning or washing, even though they do have zippers. Do not use any tumble method or cleaning service as this may destroy the backing of the fabric or shrink or otherwise damage the upholstery fabric.

**CONSUMER ALERT**

**Keep your furniture and family safe from fires caused by careless smoking. Do not smoke when drowsy. Remove immediately any glowing ember or lighted cigarette that falls on furniture. SMOLDERING SMOKING MATERIALS CAN CAUSE UPHOLSTERED FURNITURE FIRES.**
