

AMH6500C BENJAMIN BENCH

BENCHES Color: Quartz Grey

Item Details

The Benjamin Bench takes a classic garden form and transports it indoors. Elegant finials on the sides and arms with a back motif inspired by Gothic architecture transform its quartz grey pine wood frame into a striking statement appropriate for any interior.

Care

Wood is a natural material with variations of color shade, configuration, streaks, and grain structure. Each individual piece of Safavieh furniture has characteristic markings that will differ from photo and showroom samples. Regular attention and maintenance of fine furniture can ensure its beauty for years to come. Always use felt pads under all articles to prevent discoloration or softening of the lacquer. Plastic and rubber bases on items can discolor wood.
