

Kason Side Chair

BCH50

Availability: In Stock

DESCRIPTION

European oak and iron intermingle to make our Kason side chair with its cane seat a nod to the continental style you would find in upscale cafes in Paris or Rome, or in dining rooms in the south of France. The bands of iron that crisscross its back lend the natural wood a bit of an informal feel, while the pale hues of the oak keep the design from feeling overly heavy. We also offer the Kason in an arm chair for head-of-the-table seating.
