

## MONO DINING TABLE

VH-1017-18

Sculptural lightness meets the sturdiness of stone to create the Mono, a dining table perfect for interior spaces as well as outdoor oases. A ribbed central base provides both sturdiness and support as well an artistic hit of creativity. It flows upward into a round terrazzo tabletop, the natural flecks and pops of minerals only adding to the table's bright charm. Comfortably seating up to 4, Mono is the perfect place to congregate for summer soirées, be they in the backyard or blessedly out of the sun.
