Wiley Desk Natural

Meet the desk that keeps your to-do list from taking over the room. Wiley blends Scandinavian calm with Shaker restraint, balancing soft curves with an honest, everyday feel. Monolithic round legs and a scalloped edge add personality to the clean rectangle top. Crafted in mango wood with a smooth natural wood finish, it's grounded, warm, and easy to pair from work corners to living spaces. Brass handles bring a flash of polish—right where you reach.

- Scandi-Shaker Mix: A clean rectangular desk softened by geometric curves, monolithic round legs, and scalloped edge details for an easy, contemporary look.
- Mango Wood Warmth: Solid mango wood brings natural character, while an MDF back and drawer bottom keep the look clean and consistent throughout.
- Straightforward Joinery: The carcass uses a basic butt joint, and the drawers use a rabbet joint, keeping the structure simple and dependable.
- Brass Handle Pop: Heavy brass handles make the drawer pull easy and add a bright accent that keeps your desktop routine feeling pulled together.
