## MAIN FEATURES:

### Zero G™ preset position: (1)

One touch button that raises the legs and the head to promote circulation and relieve pressure off of the lower back.

### Wireless remote with programmable presets: (2)

Ability to reprogram Relax and TV Presets to your own custom positions.

### 3-Level massage: (3)

10, 20, and 30 minute timer. 2 motors in 39" XL size and 2 in 60" size.

### Gravity release safety feature: (5)

Head and foot motors designed to lower the mattress by retracting only with gravity, never pulling downwards, which minimizes pinch points.

### Compatible with headboard:

Compatible with our headboards. Headboard brackets sold separately.

### USB outlets:

Charge your favorite mobile devices with USB outlets on each side of the base.

### 3-Level legs:

3-Level black round legs included: 3", 6", 9". Different legs can be purchased separately. Designed for full operation with legs or placed on a flat surface.

### Battery back up strap:

In the event of a power outage, the base can be brought to a flat position by installing batteries to the emergency strap under the bed.

### Smooth Power™ lifting system:

Head and foot motors that gradually increase in power when articulated, providing the user with seamless transition from position to position.

### Smart Sync™ pairing system:

Synchronization has never been easier. Simply connect two 39"XL bases with the sync cord provided. Each remote will operate both bases simultaneously. Just plug and go!

### Weight limits:

Supports a maximum weight of 750 lbs evenly distributed across the base. Highest weight capacity in this class.

### Nationwide warranty support:

Backed by Ergomotion's 10 Year Limited warranty and industry leading customer service.
