

WISP510/B

EXTRA BASS Wireless In-ear Headphones Sports IPX5 BLUETOOTH®.

Turbocharge your workouts with the long-lasting WI-SP510 wireless in-ear sports headphones. EXTRA BASS™ sound and up to 15 hours of battery life¹ deliver the punch you need to finish strong. The IPX5 water resistance² and secure fit keep the headphones safe and secure during any workout, no matter how hard you work.

Bullets

- EXTRA BASS™ for deep, punchy sound
- BLUETOOTH® wireless technology³
- Easy hands-free calling and voice assistant⁴
- Water-resistant IPX5 rating² design
- Up to 15hr long battery life¹

Features

Maximize your performance with EXTRA BASS™

Boost your beats – and your performance. EXTRA BASS delivers powerful, punchy low-end sound, giving you the drive to keep going.

BLUETOOTH® wireless technology

Stream your favorite tracks from your smartphone with BLUETOOTH wireless technology.³

Turbocharge your workouts

With a long battery life¹, IPX5 water resistance², and all-day comfort, WI-SP510 in-ear sports headphones are your perfect training partner.

Designed for an active lifestyle

Work out anytime, even in heavy rain, with the WI-SP510. With an IPX5 water resistance rating², splashes and sweat won't stop these headphones – you can even wash them after a tough training session.

Long battery life

The WI-SP510 supports you, mile after mile, set after set, with up to 15 hours of playback from a single charge.¹

Secure, comfortable fit

The soft-cushioned arc supporter and three-dimensional curved design ensure a secure, comfortable fit.

All-day comfort and convenience

The soft, flexible and lightweight neckband design is shaped for comfortable, all-day wearing. Each earbud has a built-in magnet to ensure tangle-free carrying and storage, keeping you clutter-free when the music stops.

Easy operation with buttons

The buttons on the WI-SP510 headphones not only let you play, stop, or skip through tracks and adjust the volume – they also offer an easy way to access your smartphone's voice assistant and make and receive calls hands-free.⁴

Voice Assistant compatible

A simple button press connects you to your smartphone's voice assistant to get directions, play music, and communicate with contacts.⁴

Easy hands-free calling

Conversation flows freely with easy hands-free calling, thanks to the built-in microphone. No need to even take your phone from your pocket.

Country of Origin	Vietnam

1. Actual performance varies based on settings, environmental conditions, and usage. Battery capacity decreases over time and use.
2. Requires that all ports and covers are firmly closed. Capable of resisting water jets projected by a nozzle (6.3mm) from any angle, excluding the sound tube (sound outlet) of the headphones.
3. Interoperability and compatibility among Bluetooth devices vary.
4. Voice assist function compatible with Android smartphone (Google App) or iPhone (Siri). Bluetooth connection required.
5. Color availability may vary by region.
