Product Description: Built to last, our Grace 12-Drawer Dresser exudes a timeless elegance that embodies a traditional glam style. The beautifully crafted dresser showcases soft, rounded edges and tapered legs in a metallic-like Opulent Opal finish. Twelve spacious drawers provide a designated space for clothing, accessories, and other bedroom essentials, ensuring organized and efficient storage. A distinctive breakfront profile adds depth and sophistication, making it a standout piece in any bedroom.

Collection Features: The Grace collection has sophisticated traditional lines with soft round corners and a glamorous Opulent Opal finish. The translucent metallic-like finish accentuates the ash veneer patterns. Design details include soft, breakfront cases, metal ferrules and trims and fancy-face veneer patterns on drawer fronts.

Status: Active

Finish: A glamorous Opulent Opal finish adds a touch of extravagance and beauty that elevates the overall aesthetic of any room

Features: A masterful blend of timeless tradition and modern glamour Features twelve drawers in varying sizes for versatile storage options and a soft breakfront design Gentle curves and rounded edges create a serene and inviting atmosphere Custom acrylic pendant drawer pulls with metal ferrules and trim along the edges offer distinct contrast and a refined appearance

Material: Quartered Ash Wood Veneers

Drawer Construction: English Dovetail Drawer Construction

Frame Construction: Pulaski uses carefully chosen solid wood and select wood veneers over durable wood products in our furniture construction. Use of veneers enables more decorative looks unattainable with solid wood. Veneers are used over durable wood products such as medium density fiberboard (MDF) and particle board, made of renewable resources. MDF and particle board are used in quality furniture for areas that need to be stable, such as large surfaces. These durable wood products do not expand and contract with heat

and cold and do not absorb moisture as much as solid wood, which results in stronger and longer-lasting furniture.
