PERFORMANCE

- Factory Installed Ice Maker
- Electronic Temperature Controls
- LoDecibel™ Quiet Operation

Great Space in Style

Get the space you need in a refrigerator that's right for your kitchen. With **24 cu. ft.** of total space, this top mount refrigerator offers the largest capacity in the 33" wide category.

Fresher is Better

Electronic Temperature Controls designed to maintain humidity and temperature levels to help keep your food fresher, longer. Digital sensors constantly monitor conditions within the refrigerator to keep things cool.

Premium LED Light

Bright LED panels on the rear of the refrigerator give you excellent light every time you look in the fridge. And they're not just convenient – they also save energy over traditional lighting.

* Based on leading manufacturers published specs.
