NOTES

Pillow backs offer a mix of softness and support that's ideal for sore backs
Curved arms with tailored arm overlay take pressure off your forearms
Elevated look with bold, puckered stitching and thick welt edge
Built to last with our patented Flexsteel DualFlex Spring System™—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability
Power control independently adjusts the headrest and recline for a personalized sit
Home button returns the headrest and footrest to their original positions with one touch
USB port built into power control for convenient charging
High-density foam cushions with high-resiliency polyurethane foam core and a soft fiber wrap ensure comfort that lasts
Attached seat and back cushions stay neatly in place and ensure a lasting, comfortable sit
Two color options of durable, cleanable 100% polyester fabrics to suit your décor
Removable backs allow for easy lifting and maneuvering through doorways
Storage console with two beverage holders houses remotes, magazines and more
Pillow back offers a mix of softness and support that's ideal for sore backs
Removable back allows for easy lifting and maneuvering through doorways
The power control allows you to independently adjust the recline and headrest.
A separate home button returns the headrest and footrest to their original positions with one touch.
A USB port is included on the power control for powering electronics.
Zero draw technology only uses power when the USB port is in use.
