

# PURWS52PR1

Panel Ready Wine Cellar | DUAL ZONE

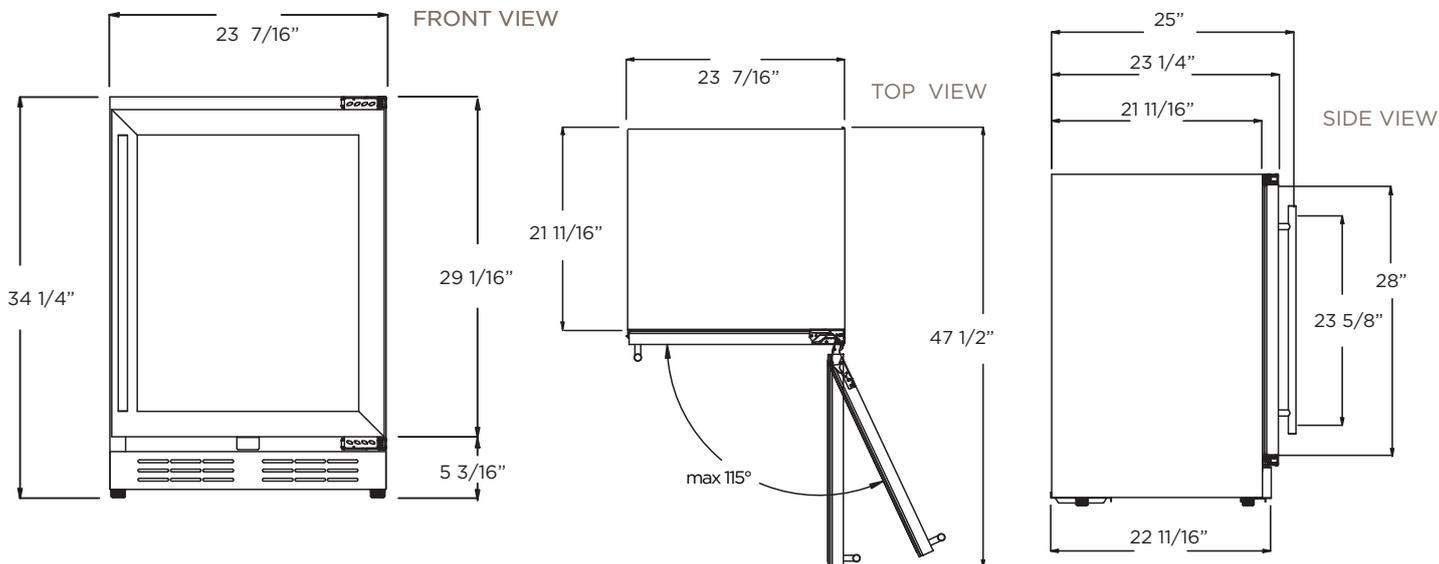

**YALE**  
APPLIANCE

The PURWS52PR1 is specifically engineered with dual temperature zones to provide an ideal storage solution for a diverse range of high-quality wines. The significance of maintaining the perfect temperature, humidity, light exposure,

and minimal vibration ensures an optimal environment for safe preservation and aging. The natural beechwood shelves of the PURWS52PR1 are designed as full extensions, enabling effortless and secure access to each individual bottle, prioritizing convenience and safety.

## FEATURES

-  Panel Ready- Enhance your kitchen design by seamlessly integrating your undercounter drawer using custom panels that perfectly match your cabinetry.
-  Articulated Hinge - With an integrated articulated hinge within the door, it enables the refrigerator to have a zero clearance built in installation.
-  Door Alarm - Never forget the undercounter door open, with a beep alarm that activates after 5 minutes.
-  Energy Saving - Sustainable friendly, the unit will save consumption by maintaining a uniform temperature control and lights optimization.
-  Noiseless Operation - Keep a high performance performance without the noise, with a speed-control motor that minimize vibrations and reduce exterior sound levels.
-  Carbon Filters - Remove odors and other pollutants from the air, ensuring a fresh environment.

Domestic use only.  
Refrigeration, no  
freezing capability.  
Compressor included.
