*Sophisticated, yet with a touch of Boho whimsy, this stunning sideboard features an iron cross stretcher base and iron framed doors with an integral bar pull, all updated with an antique gold finish. The Moroccan inspired parquet doors are softened with a white wash, while the oak frame receives a coat of charcoal paint to provide contrast. Not just a pretty face, this well-scaled server offers ample practical storage for china, laptops or your favorite games. This pairs beautifully with the Aurora Mirror 40-182.*
