Microwave Baking Tray & Air Fry Basket

Color Stainless Steel

Product Description

Cook delicious fried foods like chicken wings, Brussels sprouts, fries and more directly in your microwave oven with the Air Fry Basket. The dishwasher-safe basket allows air to flow around your food for crispy results. The Microwave Oven Baking Tray is used inside of your microwave oven, intended to hold your items when baking and prevent liquids and oils from spilling out of the pan.

Air Fry Basket diameter: 12 in and 6 in height

Baking Tray diameter 12.5 in and 1.9 in height
