The Airflow Certification on the product guarantees BEDGEAR's raw materials achieve a certain amount of air ventilation to ensure continuous breathability.

Who is BEDGEAR?

BEDGEAR® is the brand of Performance® that provides innovative bedding by focusing on an active lifestyle and well-being.

About BEDGEAR

Launched in 2009, BEDGEAR® is the brand of Performance® that provides innovative bedding by focusing on an active lifestyle and well-being. BEDGEAR's sleep solutions are engineered with Performance fabrics that are temperature neutral and instant cooling and maximizes airflow to allow the body to naturally regulate its temperature. With a core belief of One Size Does Not Fit All™, BEDGEAR has redefined the way people view sleep by developing interactive in-store experiences and breathable bedding products that are personally fit to a consumer based on specific factors, including body type, sleep position and temperature. BEDGEAR is dedicated to integrating environmental responsibility into product development to ensure less returned goods are being sent to landfills. BEDGEAR is essential to the rest and recovery routines of professional athletes and active people who need to maximize their sleep. A proud manufacturer in the USA, BEDGEAR offers mattresses, pillows, sheets, blankets, pet beds as well as travel, kids and baby products that often feature removable and washable covers to maintain a clean and healthy sleep environment. BEDGEAR is represented in more than 4,000 retail stores across the globe and has earned more than 220 U.S. and worldwide patents, trademark registrations and pending applications.
