MOE'S

Harmony Sofa Blush Faux Mohair

Rolled arms and continuous piping trace a traditional line—Harmony keeps it current, now across a full sofa. The three-seat profile softens with a gentle curve and a tight back, perched on turned birch legs. Dense faux mohair in a warm brick red, a 100% polyester velvet, brings a plush look that suits busy rooms and relaxed everyday lounging. A plywood frame with S-spring suspension and foam-and-fiber cushions keeps the seat supported. Traditional bones, easygoing attitude.
