

Signature K750GB Grill Surround

Insulating grill surround for use with K750GB built-in Gaucho grills. Adds 8-inches to the width of the grill. Do not use with combustible cabinets unless there is a minimum clearance of 36-inches between grill and combustible materials.

Features

- Creates insulated jacket around the Gaucho Grill so that it can be installed with cabinetry
- Stainless steel leveling legs for easy installation
- Built with pride in Kalamazoo, Michigan

Options

Stainless steel toe kicks available (K-KCK-750SUR, K-KCK-4)

All products crafted from highly durable 304 stainless steel. [Marine-grade stainless steel](#) available as an option for clients who prefer additional corrosion resistance. Increases standard lead times by 2 weeks.
