8” ESSENTIALS

Looking for cooling and support, this mattress has you covered. The Essentials 8” Mattress has a top layer consisting of 1.5” Gel Air Foam, a breathable gel-infused memory foam that helps provide a temperature-neutral sleep surface. The following layer of 2.5” Air Ridge Foam provides air flow, cushioning, and support while the 4” Air Channel™ Base Foam offers an additional layer of support and breathability.
