PRODUCT DESCRIPTION

This power recliner puts a sleek twist on laid-back living. It satisfies your desire for comfort without being bulky in design, thanks to subtly incorporated one-touch reclining and adjustable headrests. With chic exposed legs and stunning stitching details elevating the look from the bottom up, this recliner strikes the perfect balance between practical and posh.

- One-touch power control with adjustable positions, Easy View™ adjustable headrest, USB-C fast charging and zero-draw USB port

- Zero-draw technology only consumes power when the USB receptacle is in use
- Zero-gravity mechanism allows optimum reclining comfort with infinite reclining positions at the touch of a button
- Corner-blocked frame with metal reinforced seat
- Attached cushions
- High-quality foam cushions wrapped in poly fiber
- Genuine leather covers inside areas such as the back, seat and arm cushions; skillfully matched faux leather covers the remaining areas
- Due to its natural origin, real leather can show individual characteristics such as healed scars, growth marks, grain variation and shade variation
- Natural variations make each hide unique and do not detract from the wearing qualities of leather
- Zero wall recliner design requires minimal space between wall and chair back
- Exposed feet with faux wood finish
- Power cord included; UL Listed
