W:22 x D:15 x H:35 • 20-503

One of our unique collection of "found objects," this chair features many of the style hallmarks of antique Ming "Horseshoe back" chairs. The most recognizable are the steam bent top rail which ends in rounded hand rests, and the back splat which is deeply curved for seating comfort. Each of these chairs will be unique both in size and detailing, but all will add a touch of timeless charm to your room.
