GE Profile™ UltraFresh System Dishwasher with Stainless Steel Interior

FEATURES AND BENEFITS

Microban® Antimicrobial Technology – Enjoy longer lasting dishwasher protection thanks to Microban® Antimicrobial Technology. Built into high usage points to prevent bacteria growth, it keeps surfaces 99% cleaner than unprotected surfaces.

UltraFresh System – The UltraFresh Smart Cycle Dishwasher Algorithm introduces clean air, reduces moisture and refreshes the dishwasher system to help prevent the growth of odor-causing bacteria.

3rd Rack Dishwasher with Deep Clean – This built-in third rack dishwasher offers an innovative design that lets you clean more items in fewer loads. The left side has dedicated jets to deep clean items in the 3rd rack for a next-level clean.

Twin Turbo Dry Boost™ – The Twin Turbo Dry Boost™ system uses a smart dual wattage heater and 2 fans that work together to remove water from hard-to-dry items like plastics and sports bottles.

Smart Features Powered by the SmartHQ App – Your WIFI dishwasher uses smart sensors to continually monitor and ensure optimal performance while providing alerts when regular maintenance is needed. Utilize the SmartHQ app for custom cycles and to select your favorite cycles.

Deep Clean Silverware Jets – A system of 40 deep clean silverware jets blasts the silverware basket from the bottom up, removing all stuck-on foods and providing sparkling results.

4 Bottle Wash Jets – This dishwasher with bottle jets ensures a deep clean for tall items, narrow glasses, jars and more. In the upper rack, each of the 4 bottle wash jets directs water and detergent inside to effectively wash hard-to-reach areas.

Steam + Sani – Save time with a high temperature cycle that steams and sanitizes to loosen tough soils before the wash cycle begins, reducing bacteria by 99.999% without pre-rinsing or soaking.

Active Flood Protect – This dishwasher features Active Flood Protect, which prevents potential overflows for greater peace of mind. It works by using a water leak detector to sense when water is too high, pumping it out until a safe level is reached.

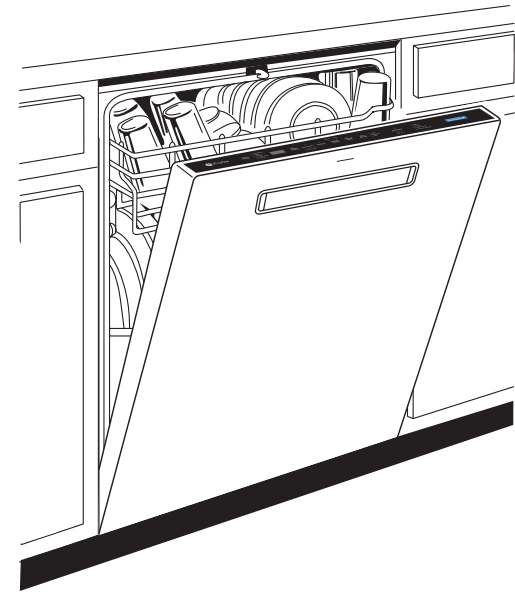

Lower Rack Fold-Down Tines – Get next-level loading flexibility in this dishwasher with flex rack. Adjust the lower rack to accommodate any item thanks to multi-position, fold-down tines.

Smooth-Glide Adjustable Middle Rack – This dishwasher with a smooth glide rack makes loading and unloading smooth and simple. It easily extends on stainless steel ball bearings, so you can make light work of even the heaviest loads.

42 dBA Dishwasher – Get reliable wash performance and a deep clean without unwanted noise thanks to this super silent 42 dBA dishwasher.

Piranha™ Hard Food Disposer – The Piranha™ Hard Food Disposer lets you use your dishwasher without pre-rinsing. Its stainless steel impellers rotate to pulverize food particles and an anti-jamming design make sure wash arms stay unclogged.

Notification Bar – Always know the condition of your clean with this status display dishwasher feature. A bright bar illuminates different colors to indicate the status of the cycle.

Model PDT715SYVFS – Fingerprint Resistant Stainless

Model PDT755SBVTS- Black Stainless
