PRODUCT DESCRIPTION

Reserved for him and made for her. This power reclining loveseat delivers all the comfort and style you could ask for. Inspired by sports car interiors, the combination leather and faux leather upholstery with jumbo stitching for even more appeal. And the loveseat's adjustable headrest, extended ottoman and zero-gravity mechanism put you in the driver's seat.

- One-touch power control with adjustable positions, Easy View™ adjustable headrest, power lumbar support and zero-draw USB port
- Zero-draw technology only consumes power when the USB receptacle is in use
- Corner-blocked frame with metal reinforced seat
- Attached cushions

- High-quality foam cushions wrapped in poly fiber
- Genuine leather covers inside areas such as the back, seat and arm cushions; skillfully matched faux leather covers the remaining areas
- Due to its natural origin, real leather can show individual characteristics such as healed scars, growth marks, grain variation and shade variation
- Natural variations make each hide unique and do not detract from the wearing qualities of leather
- Extended ottoman for enhanced comfort
- Zero-gravity mechanism allows optimum reclining comfort with infinite reclining positions at the touch of a button
- Zero wall recliner design requires minimal space between wall and chair back
- Power cord included; UL Listed
