Description:
Shipping FDX-OS
Method:
Materials: Rubberwood Solids, Oak Veneer, MDF, Resin
Shape: Round
Product The color is light to medium brown
Features: Exceptionally built using Rubberwood Solids, Oak Veneer, MDF, Resin

Construction Details: This piece features a wood veneer top applied over an engineered wood substrate, complemented by a solid wood pedestal base adorned with intricate resin floral onlays. The entire structure is finished with a protective lacquer coating, ensuring durability and a lasting finish. The four-way matched veneer top showcases a scalloped edge pattern and raised sides, adding a refined touch to the design. Crafted from kiln-dried rubberwood solids, MDF, and oak veneer, this table also includes plastic floor protectors to safeguard your surfaces.

Shape is round with a scalloped edge top and 3 leg pedestal base

Product Dimensions: 20"W x 20"D x 26"H, Item Weight: 17 lbs

Item requires assembly of top to base and legs in quick and easy assembly with provided hardware

Complete your perfect look by mixing and matching your decor with the extensive range of products from Butler Specialty Company! Discover endless possibilities to express your style and create a space that truly feels like home.

This piece features veneer work and engineered wood substrates. The wood veneer is used for a smooth and consistent color tone, while the engineered wood beneath it provides strength and structural longevity and allows us to achieve specific looks and functions that are not easy or able to be achieved with solid wood

Table top measures 20"Diameter

Pedestal base measures 15.125"W and feet sit 5.25" off the ground

Weight Capacity: 30 lbs

Ideal for use as a side table, end table or accent table in a living room, bedroom, office

To clean, wipe clean with a clean dry cloth and dust regularly. If spills occur, wipe spills with a damp cloth and dry immediately. No abrasives or household cleaners which can damage the wood. Drink coasters are recommended
