With striking good looks and expertly engineered surfaces and mechanisms, not a single detail has been overlooked in the making of the Leo. Harmony abounds in this singular sofa, beginning with the smooth lines of the pillow-top seat that are mirrored in the linear back cushion detail. The back cushion also extends over the arm, creating extra surface area to comfort the arms and shoulders. The arm itself is a thing of beauty, elegantly swooping down towards the back of the sofa to anchor the entire design. Seating construction involves layers upon layers of engineered support, combining high-density foam and a feather fibre topper for an incredibly luxurious, sumptuous seat. The ultimate functionality of three-motor power allows for individual adjustment of headrest, lumbar and recline, providing perfect relaxation for every part of the body, while wall-hugger technology ensures a full recline with as little as 4" of wall clearance. Available in our entire range leather and fabric covers, the stylish and ultra-functional Leo will instantly become the most coveted seat in the house.
