HIGH
EFFICIENCY

A paradigm of sophisticated design and seamless construction, PURBF52SS1 is your best ally when preserving the freshness of your beverages. Dual Compartments and Dual Cooling zones, offer the elegance of a wine cellar, fused with the convenience of a beverage center.

It holds up to 60 cans (12oz) within the Beverage Zone and up to 21 bottles of wine (21oz) in the Wine Zone. Optimum preservation is ensured thanks to the natural Beechwood shelves, highest quality components that reduce vibration, plus Perfect Climate technology (EPC) that maintains consistent and even temperature distribution.
