

Kendall Outdoor Dining Chair Natural-Set of Two

COLORS: Natural

OVERVIEW

A contemporary reimagining of classic wicker, the Kendall chair marries form and function with elegant simplicity. Generous curves sweep from seat to rounded backrest, creating a cocoon of comfort for lingering al fresco conversations. Crafted with an iron frame wrapped in weather-resistant synthetic wicker, these chairs blend durability with natural appeal.

- \bullet Contemporary take on a wicker chair with over exaggerated curves & rounded back rest
- Iron frame with synthetic wicker
- Set of two
- Store inside or cover while not in use during inclement weather
- No assembly required
