This charming nightstand is a near-perfect bedside companion as it stores nearly everything you want just within arm's reach. It features a spacious display shelf to charge a phone or tablet, a pull-out tray to place that morning cup of coffee, and an oversized drawer to tuck away books and other essentials. It is available in white or gray finishes with antique sable finished brass hardware. Crafted from mahogany wood solids, engineered wood products, and mahogany veneer, it is exquisitely topped with white Melati marble for a sense of timeless elegance. Also suitable for use as a chairside table.
