

CHANCERY

SOFA | SM8194-SF

DETAILS:

Simplicity is the name of the game with this living room ensemble. You'd appreciate the clean lines from the round wooden legs to the rounded armrests lined with welt trim. The back cushions are loose pillows that are easily removed for cleaning. Pops of colorful and playful lines are found on the pillows, optional ottoman and chair, giving this set a friendly and approachable personality--the navy and gold accents popping against the neutral gray linen-like fabric.
